

PARISH TUITION SUBSIDY VOUCHER APPLICATION FORM

The Catholic Churches of the Shakopee area strongly support the Catholic Religious Education for its members, especially its youth and children. The Catholic Education Center testifies to the magnitude of this support, and each year these parishes through money and services continue to subsidize the Apostolates in that facility. Because of those subsidies, active parish families are able to receive reduced tuition rates through a Parish Tuition Subsidy Voucher. Without a Parish Tuition Subsidy Voucher, your family will be charged the full non-parish tuition rate.

To obtain your family's Parish Tuition Subsidy Voucher three things must happen:

- 1) You need to fill out this application form and submit it when you register, indicating your stewardship commitment in the consolidation parish you are an active family in..
- 2) Your completed form will be then sent to the parish you indicated for confirmation that you are an active family in that parish, committed to stewardship in that parish.
- 3) * If the parish office confirms that you are active members in your parish, they will send you and the CEC notification that you are eligible to receive the in-parish discount.
* If the parish office is unable to confirm that you are active members in that parish, they will notify you and the CEC that you are not currently eligible to receive the in-parish discount, after which you may come to the parish office to discuss how you can become a family that is eligible to receive the in-parish tuition rate.
- 4) To be considered for PTSV tuition, families must be registered in the parish and be an active member by December 31st 2011. (Please see below for membership as defined below.)
