Application Process for Financial Assistance Consideration (K-8th grade ONLY)

We understand that the cost of Catholic education can be a great concern to families. Some families are torn between their desire to offer their children a Catholic education and the potential strain it may have on their finances. Many families make tremendous sacrifices to send their children to Shakopee Area Catholic School. For our K-8 families in greatest need, we may be able to offer assistance with their tuition obligation. Financial assistance funds are supported by the generosity of our parish, community, and non-profit organizations.

Shakopee Area Catholic School uses TADS, a tuition/financial aid management system, to assess your family's financial need. TADS charges a \$34 processing fee to apply for financial assistance.
